

Notice for all auction participants relating to Credit Limit utilization - monthly *Auction* for January 2006

Dear Auction Participants,

Please be reminded, that there is necessary to take into consideration your *Credit Limit* utilization by 1/12 of your possible actual financial liability resulting from yearly *Auction*, for participation in monthly *Auction* for January 2006. A part of *Credit Limit* is utilised in an amount of 1/12 of the actual financial liability resulting from the *Promises of Capacity* from the yearly *Auction* procedure, calculated together for all *Auction Participants* representing the *Auction Entity*. The *utilised* part will be released after settling the entire payment (12 monthly payments) resulting from the yearly *Auction*.

There is also necessary to take into consideration your *Credit Limit* utilisation by your possible outstanding financial liability resulting from daily *Auctions* in November and December 2005, for participation in monthly *Auction* for January 2006 - only if risk management instruments submitted by your *Auction Entity* are used to cover participation in coordinated auctions simultaneously for the year 2005 and 2006.
